WITH GLOW IN THE
DARK IMPRINT!

NO4- SPECIAL SCREENING PROCESS

GLOWCORDS: Turn your lanyard into a night-time extravaganza. During the day the ink will absorb light energy and release it in total darkness. Add \$0.20(R)

RAISED 3-D IMPRINT: Give your logo an added feature of a 3-dimensional puff print. Add 20% to price.

GRADUAL COLOR CHANGE: Those seeking a fading of one color to another will need this special printing process. This process requires a merging of 2 or more colors. Add \$0.20(R) per side to any extra colors that apply.

ABOUT GYSSIEN INTERNATIONAL:

Gyssien International has been providing clients around the world with custom neck lanyards, key holders, eyewear accessories, jewelry and crystal eyewear retainers since 1996. As a direct manufacturer, Gyssien International prides itself in utilizing only premium raw materials with state-of-the-art facilities in providing the highest quality products available in the industry.

Our commitment in being a customer-service driven leader while staying ahead of the competition with new innovative products has made us one of the top lanyard providers in the Promotional Products Industry (ASI/PPAI) since joining in 2002. In addition, our strict quality control systems that we have put into place have ensured us a place as one of the most reliable companies in the market. With low minimum quantities requirements (50 pieces), extremely competitive pricing structures and the ability to provide expedient turnaround delivery in as little as five business days from overseas, Gyssien quickly became the “go-to” manufacturer in the Promotional Products Industry today.

A list of our new products being released this year:

- Non Woven Aprons (AP01)
- PETE Lanyards (N04-PETE)
- Bamboo Lanyards (N11)
- 100% Recyclable Badge Wallet (NW-ECO)
